

Hello everyone, I do hope the Festive celebrations were happy ones for you all and that we can now look forward to the coming year ahead of us, preferably with some warm and sunny weather!

I and the Trust Committee would like to say a very big thank you for the donations we have received since writing my previous letter. Cristina, the Matron of the Brighton Renal Unit, and Peter, the Chief Technician, have again asked me to pass on their appreciation to everyone as well.

The Sussex Kidney Trust is now entering its 51<sup>st</sup> year and still going strong which enables the Renal Units in the Hospitals we support to have the best equipment they require to treat the patients needing Dialysis but this would not be possible without your generosity. Long may we continue to be in a position to keep doing so for a very long time. I have just looked to see what the next Anniversary is and in 5 years' time it will be the Emerald. Let's keep up the good work.

Our AGM this year will be on Wednesday 18<sup>th</sup> April in the Garden Room at Henfield Hall, Henfield commencing at 2.15pm. The meeting will follow the usual pattern after which of course the Trust Committee invite you to join us for our special afternoon tea. There will be information in the February Club post with all the details, but please feel free to bring along a friend as well as Club members. The AGM is open to anyone. Looking forward to seeing you there.

Very best wishes to you all for 2018 from myself and the Sussex Kidney Trust Committee.

Jenny  
Chairman
